Group 2700

Applicant hereby petitions under §1.313(b)(5) for the withdrawal of this application from issue to permit consideration of an Information Disclosure Statement filed in a continuing application. The issue fee was paid on February 26, 1997.

As set forth in MPEP 609 B(4), the filing of a petition under §1.313(b)(5) is sufficient to waive the requirement that an application under 37 CFR 1.62 be filed before payment of the issue fee.

The continuing application, claiming priority under 35 USC 120 from this application is being filed on the same day as this petition. Accompanying this petition is an express abandonment of this application to be effective on the grant of this petition and when the continuing application is granted a filing date so as to make this application copending with the continuing application.
